The teenage years form the foundation for the development of an individual. In the process of this development, high school plays a tremendously important part. High school serves as a firm step upon which the student may stand; the basis for his future life. Each succeeding step depends on the individual, be it a step toward further education, or the establishment of a vocation or home. Each year at San Ramon is then a resounding step toward the future. Its echo will be heard long after the step is taken.

Here then is a record in words and pictures of the just completed "Stepping Stones to the Future." We have endeavored to show you, the student, your role in building the steps to the future; steps which will be well tread by successive generations to come.

Dedication. . .

It is with the greatest sincerity that we, the Class of 1965, dedicate the El Lobo '65 to a man honored and respected by all who come in contact with him--Mr. Gower, head track and assistant football coach.

A graduate of the University of California at Davis, Mr. Gower came to San Ramon High School in 1961 to assume his first coaching job.

At San Ramon Mr. Gower immediately proved his worth as a top-notch coach, winning admiration from the entire student body as well as the players he coached. He is known as a "real competitor" and possesses an awareness of student problems. This is what creates such closeness between himself and students as a coach and advisor. Combining warmth and enthusiasm, Coach Gower spurs the boys on to action. His confidence in them is reflected in their willingness to put out a little more to win, or just to play the game to its utmost.

Because of this warmth and enthusiasm he generates, it is our hope that the dedication of this yearbook will in the same way express the deep admiration for his talents in shaping all those who come in contact with him.

Even though this is his last year at San Ramon he will remain close at hand at the new high school, Monte Vista. He will become a "friendly" enemy, yet we wish him all the success possible in the years ahead. You, Coach Gower have guided us along an important step in life's travels.

Mr. Gower

ADMINISTRATION

Administrators keep the wheels of San Ramon turning, and, directly or indirectly, have a great deal to do with the lives of the students. They are the ones responsible for arousing the spark of curiousity and interest in the classroom; for the student's success, not only in studies here at San Ramon, but in later life too; and for preparing the graduating class to meet the forthcoming challenges in life.

District Superintendent and Board of Trustees

DR. SCHULTE
High School District Superintendent

During the school year Dr. Schulte as District Superintendent, must administer the school budget; interview and select new teachers; investigate new teaching materials; find and make available schools or courses for those who are in need of special education; and keep the Board of Trustees informed about the activities of the school and any problems or needs that arise.

This past year, Dr. Schulte spent a great deal of time on the new Monte Vista high school, and was instrumental in its planning.

MR. WILLIAMSON

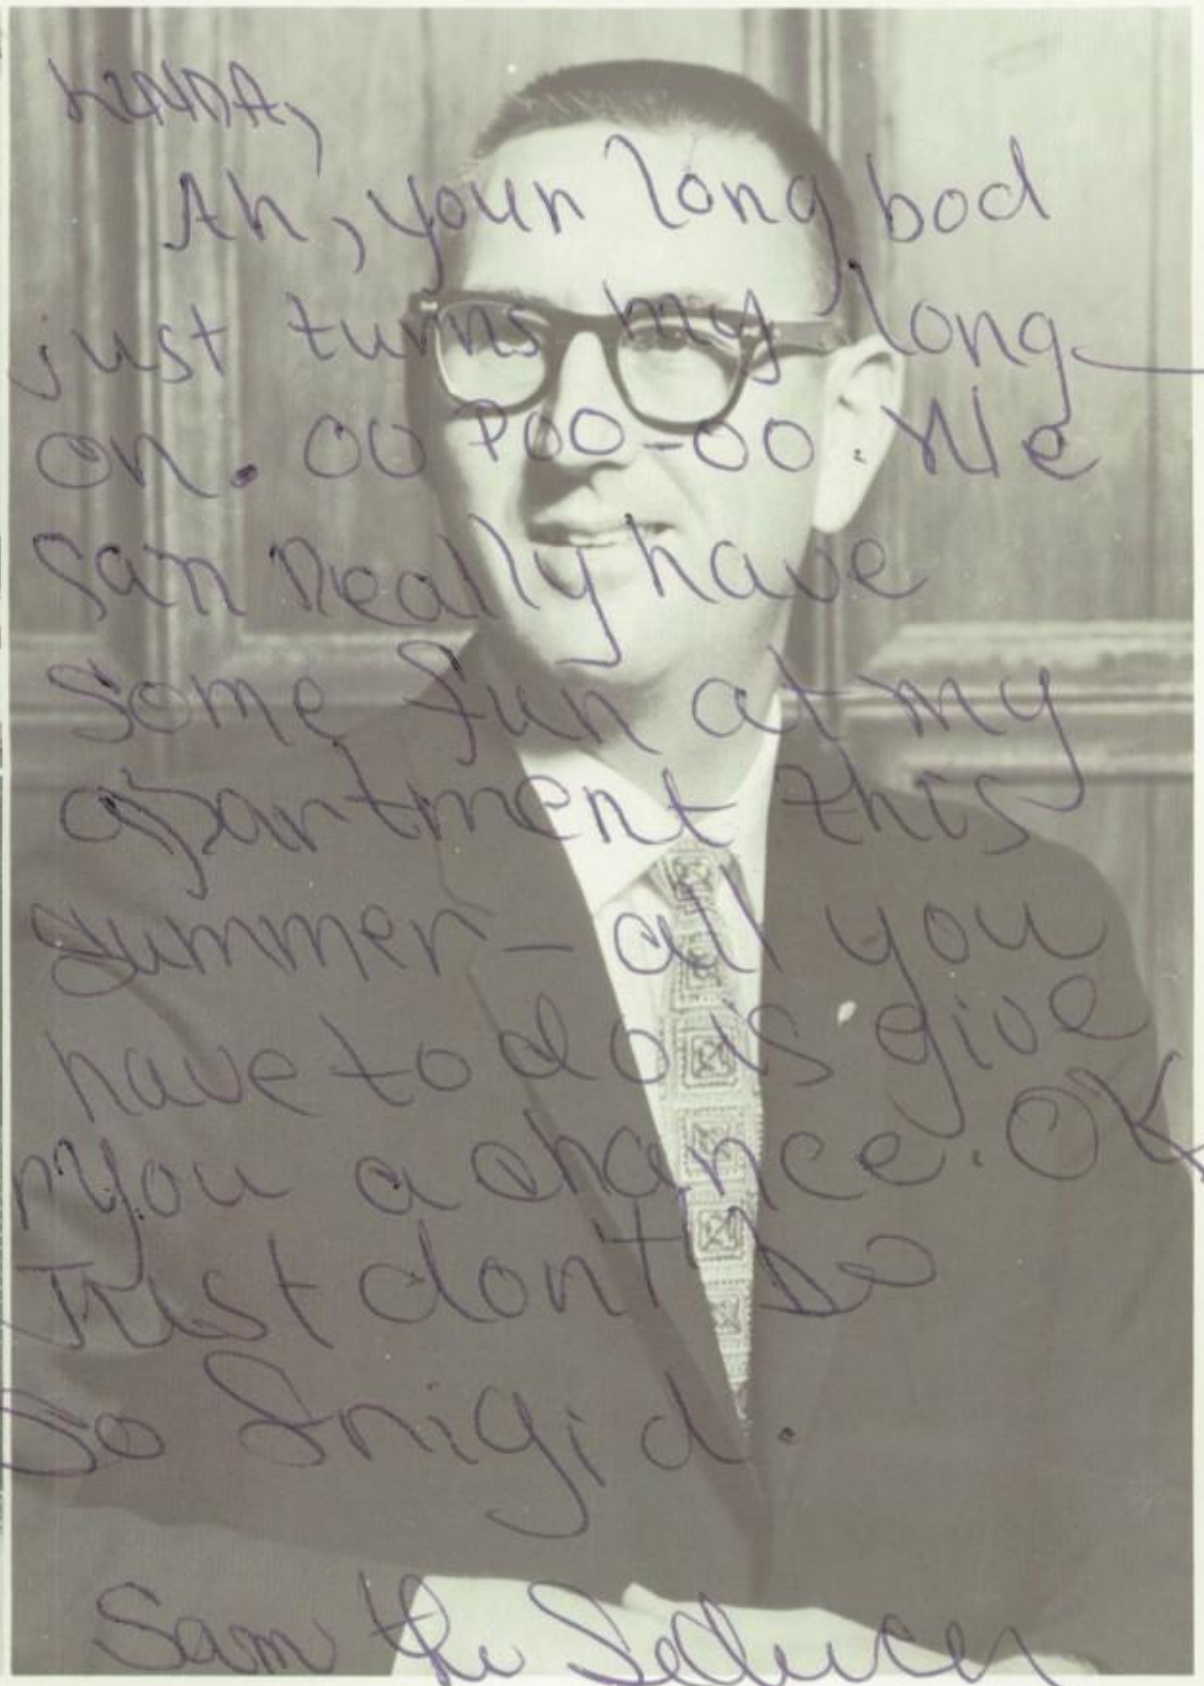
MR. VON WALD
MR. DAVIES

The Board of Trustees is the controlling body of the high school. It develops the rules and policies to be followed.

During the past year, the Board, in cooperation with Dr. Schulte, reviewed and revised all policies and administrative methods to meet the new and growing needs of the high school.

They helped our school grow strong

Principal



MR. COZENS-Principal

The calm, quiet force that runs our school is Mr. Cozens. He has been at San Ramon for seventeen years. As principal, he is entrusted with all the administrative chores that are necessary in order to keep a school of 1,700 students running smoothly. He acts as middle-man between the school and the community, he carries out School Board policies, and stays in close touch with other principals. In addition, he must establish curriculum and finally be accountable for sports, clubs, and other extra-curricular activities. To him we are grateful.

Deans and counselors guided us along

Dean Of Girls

Mrs. Willson heads the counseling of the fairer half of the student body. She is in charge of female attendance and good conduct at San Ramon. In addition to working individually with many of the girls, she handles their extra-curricular activities.

Dean Of Boys

A former history teacher and athletic coach, Mr. Church became San Ramon's Dean of Boys this year. This challenging job, with its variety of duties, kept him in touch with many aspects of school life. His main function involved the supervision of attendance and the re-sponsibility for discipline of the boys in school. In addition, he coordinated the schools athletic events, and helped supervise school safety and extra-curricular activities. His goal is to work closely with boys in order to encourage them toward a worth-while adjustment to their future lives in our ever-changing society.

MISS SCHUETZ
Counselor

MR. VASSALLO
Counselor

From discipline to guidance, the counselor meets a diversified role. He must often act as a mediator in settling disputes and as a laison between parents, the faculty, and the student. San Ramon's fine counselors help map their counselees' school programs and aid the student in making plans for after graduation.

The student body president's job as defined by the school constitution consists of presiding at student body, student council, and Board of Control meetings; calling such special meetings of these groups as deemed necessary; and appointing special committees for student council. "I knew pretty much what was expected of me when I was elected," say 1964-65 president, Jim Parker.

About the presidency itself, Jim says, "It's a tremendous source of education in the mechanics of government." He felt that the first and foremost qualification for the job is a real interest in the school. He feels the experience and training learned from this year will be of great help in the future.

San Ramon welcomed a bit of Britain

Britain has sent us many wonderful things: the internationally famous Beatles (in retaliation for the Boston Tea Party), Chad and Jeremy, the Animals, and. . .Jane Needs!

Jane came to us from Combe Martin in the south of England to spend a year in the U. S. as San Ramon High's official foreign exchange student. This dark-haired, 17 year old student lived with Junior Nancy Giddings during her stay here. She hopes to be a teacher, and already she has taught us quite a bit about the differences and similarities between her country and ours. Come to think of it, she's even better than Ringo!

JANE NEEDS, 1964-65 Foreign Exchange Student

The fall climate in Danville was very agreeable to Jane.

Student Body President Jim Parker, Jane Needs, and former Senior Class President Bob Trevorrow presented our school with A. F. S. pictures.

Jane got acquainted with Nancy Giddings, whom she lived with during her stay here.

RALLY COMMITTEE

Attention! There will be a Rally Committee meeting today at noon in room 21. This frequently heard morning bulletin alerted San Ramon students to the possibility of one of the many humorous, entertaining, and spirited rallies which the Rally Committee, under the leadership of Commissioner Scott Lubbock, produced this year.

Working together with the cheerleaders and pom pon girls the committee held pep rallies on the front lawn as well as the Boy's Gym at which students joined in school yells and heard team captains and coaches voice their predictions about the upcoming games. The basketball and football seasons were highlighted by such rallies as the fairy tale fantasy preceding the homecoming game and the climactic "war between the bands" at the year's final rally.

California Scholarship Federation

Reward for scholastic merit on a state wide scale is the principle upon which the California Scholarship Federation is founded.

To gain admittance to C.S.F. a student must have a total of 10 points. An A in a solid counts 3 points, a B in a solid counts 1 1/2 points, and in non-solid subjects an A is worth 1 1/2 points and a B is worth 1/2 point.

Under the guidance of Mrs. Welpton and Mrs. Shafer the members took part in the C.S.F. convention and annual outings.

Life membership and a permanent campus pass is awarded to members who make C.S.F. in four of their last six semesters. STUDENTS

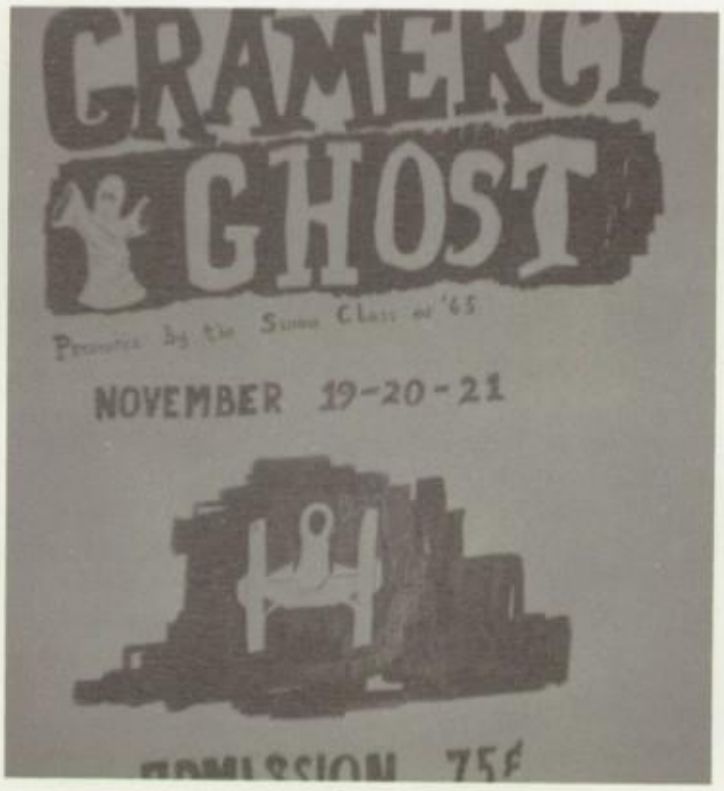
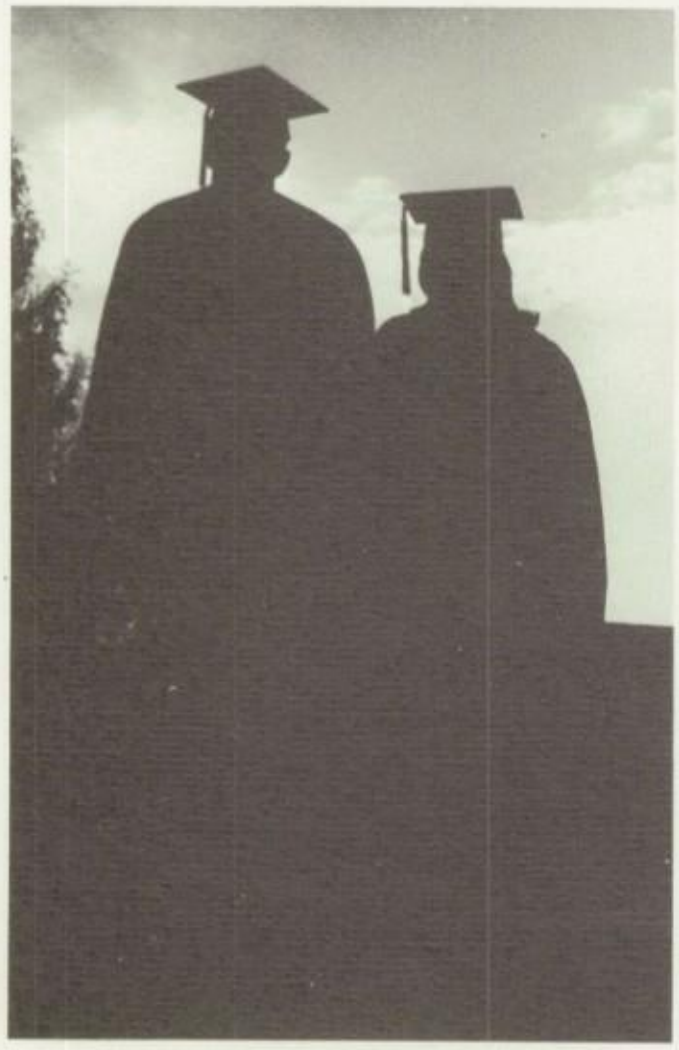
San Ramon Valley Union High School began its 55th school year headed toward the largest student enrollment in its history. San Ramon first held classes in 1910, with two teachers and 30 students. This past year SR boasted an enrollment of 1617 students, 154 over last year's record. Students are the heart of the plant and the courses, activites, organizations, social events, sports and academic endeavors all revolve around them.

SENIOR CLASS OFFICERS: Carol Mosher, Treasurer; Lou Plummer, President; Sid Long, Secretary; Bill Cady, Vice-President.

SENIORS





The senior year is the most important; for four years the student has been learning; now when he leaves San Ramon he will make use of the gifts he has been given, and those he has developed. How different is he from the person he was as a freshman? Everything at San Ramon is now a part of him. As graduation nears, then passes, he is no longer seeking; he is prepared.

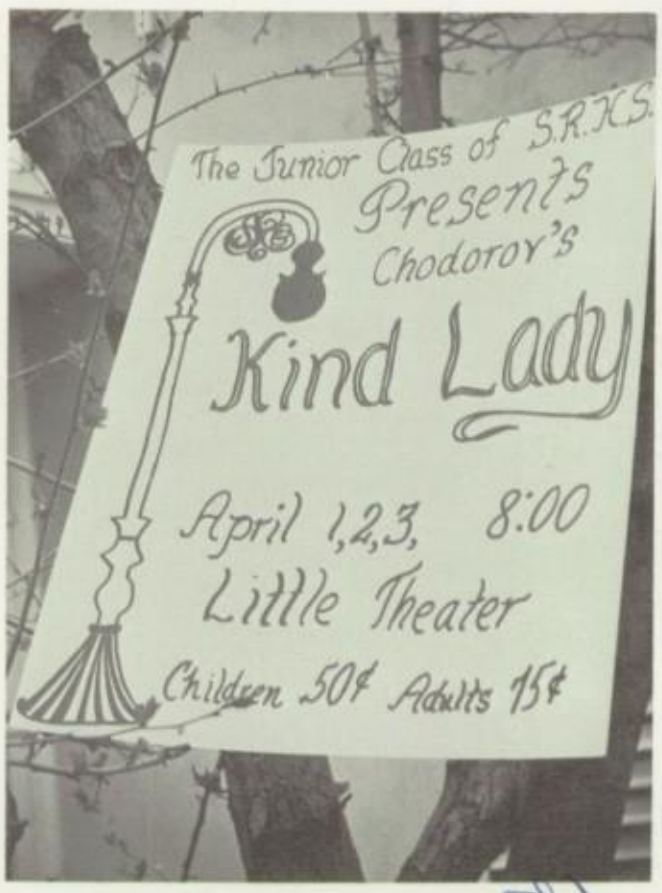
JUNIORS



The romantic dream of the Junior Prom, the dramatic delight of the Junior Play, a first chance at modern dance, and that final arrival at the coveted varsity level were but a few of the joys of the junior year. Those highlights helped battle the U.S. History hindrance and paved the way to that final big-shot junior year.

SOPHOMORES

No longer the underdogs, sophomores flaunted their experience on struggling freshmen. This second year burst forth with activity: Biology Club and its field trips, junior varsity sports, cup cake sales, and many more. At the end of this frantic year, sophomores pause to take a breath at the half-way point of their school career.

FRESHMEN

Suddenly thrust into a frightening world of initiations, lockers, new faces, and mighty seniors, freshman entered with marked frustration. But welcomed by the Freshman Reception and warmed with the wonder of school spirit, the fledgling period ended, in spite of the ups and downs of that first fresh year at San Ramon, freshmen will look back on this year with joy.

Since time immemorial, woman has posed for hours before the looking-glass to dress her tresses according to current fashion. Springing from the present mod-and-rocker trend, the male element is competing with woman for mirror space. It is an age of rollers, bleach, hair spray, and long locks for boy and girl alike, and all is reflected on the SR campus.

Jill Withrow

Hair-do's came in a wide assortment of sizes, shapes, and shades. Some popular do's on SR girls this year were the sleek natural, sculptured look; puerile pigtails; the traditional bubble; the long, straight surfer look; and the loop-curled formal "do." A new fad--the hairpiece, took San Ramon by storm.

Linda Johnston

Peggy Sanborn

Indeed, long hair was the mode, and it was not limited to femininity. Boy's hairdos were gradually lengthening. Bangs on boys became the thing, either in the Beatle or surfer set. Of course, most maintained the short, "clean cut" look. All in all, the year of the comb hit San Ramon.

This year basic fashion ideas were given delightful interpretations at San Ramon. Girls have always gone wild over wool-sweaters or skirts-and this was obvious all over the campus. Sweaters were seen bulky, sheer, V-neck, turtle neck, shell, cardigan, or a myriad of others, and the sweater keynote was color-matching or brashly clashing. Popular items this year were anything suede, colonial-type blouses, parkas, madras, textured nylons, and all kinds of colorful spring cottons. Boys took the fashion spotlight in gorgeous suede sweaters, irredescent slacks, sharp alpacas, white levis or cords, letter sweaters, bermudas, the grizzly jacket, and of course that madras shirt. Shoe styles showed more variety imaginable for '64-'65. The female set stepped on campus this year in everything from knee-high boots of alligator or suede to very skimpy sandals. In between we saw such items as the revived penny loafers, sumptuous suedes in pastel hues, stack-heeled slings, socks of all colors, patterns and lengths with tennies, and soft leather moccasins. The Beatle influence brought on boys in boots with heels of various heights and textures of various types including suede, alligator and even patent leather! Loafers were very-worn, along with suede Italian boots, haraches, and of course, blue tennies.

It was a wild year as the "Beatle beat" and

The Village Five

Clint Hutchinson, Bill Murphy, Skeets Flores, Chuck Linnenberger, and Tim Hutchinson made up this refreshing singing group. Their remarkably talented combination of voice, strings, bongos, and a wash-tub wowed them all at an Acalanes rally; the "Shindig for Shipley" and the sophomore and senior parties; plus a Spring Hootenany with Joan Baez at St. Mary's High School. Such originality beats a path toward a bright future.

The Riptides

A popular new group in the valley, built up a powerful list of credits this year playing for the KYA Battle of the Bands at the Teenage Fair in San Mateo. The beat behind their music was built up by drummer Rick Ponczek followed by a driving rhythm guitar, played by Tony Eldridge, a consistent bass, by John Maurer, Les Fray with his rockin' organ, Jack Hardy with a walin' lead guitar, and Mark Harrison with a talented new voice. Combine these and you come up with a sound that's here to stay.

The Coastliners

Tom Dannenberg, Ron King, Terry Caton, and Bob Lorton-have been creating a sound that has erupted into a moving mixture of instrumental and vocal excitement. We saw them perform at the Homecoming Dance, Freshmen Reception, and that SR combo assembly, and can't help but agree that the year of frustration, experimentation, and talent development they've put into their band has turned out a top-notch group.

The Lords

Hear the sound of "Louie, Louie" by the Lords and you've heard a good thing. Jack Dyer, Rod Smith, Steve Van Wemmer, Larry Stolzy, and Dennis Stolzy combined to beat out their sensational sounds this year all over the Bay Area. This plus talent put the Lords way up there.

"Surfin'" craze swamped the country and we swam

George Frazier and Carola Ashford prove that partner pairing has not died out.

Once upon a time, teenagers were known to dance to the drivin' Jerry Lee Lewis or Little Richard beat, and actually held hands while doing so! Now, this is hardly imaginable. First, the "Twist" separated partners, then the "Pony," "Watusi," "Swim," and now the "Monkey" and the "Jerk." The beats have changed a long with the dances. The rhythm and Blues out of Liverpool took hold of San Ramon as they did the rest of the world. We "Jerked" to the sounds of the Beatles, the Rolling Stones, and the Kinks. Of course, America answered this with the Beach Boys and their surfin' sounds, the Supremes, the Righteous Brothers, and a revival of Chuck Berry. For listening or dreamy dancing, the old favorites-Johnny Mathis, the Letterman, -and many more proved that occasional partner pairing has not completely died out.

Some of the albums SR students danced and listened to this 1964-65 year.

Roger Lett does the "JERK."

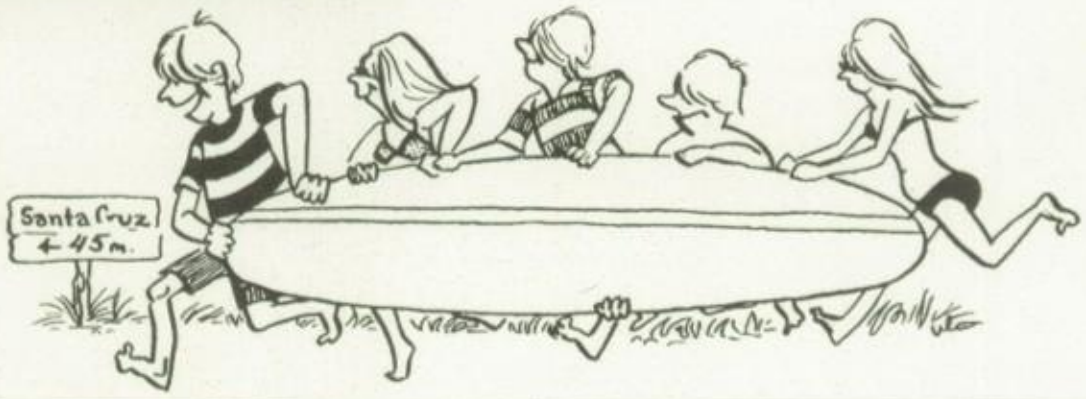
Paul Schutz swings to the "MONKEY."

Debbie McCord does an American Original, the "SURF".

No matter what activity we participated

Surfing

Man once went "down to the sea in ships," but now its down to the sea in woodies or whatever will run, to pull out the board and shoot the curls. The surfin' craze has been going strong for a few years now and San Ramon kids have been undaunted in enthusiasm for this sport in spite of the fact that the beach is a long haul from here. Those, whose desire to hit the waves was perfectly overwhelming, migrated to Santa Cruz and beyond to quench an insatiable thirst to "hang ten." Some took advantage of the cement sea and did a little hotdoggin' on sidewalk surfboards. Those who couldn't head out drank in Beach Boy sounds, and dressed in madras or surfer-striped tees, letting their hair down to beach bunny (or boy) proportions. Whatever, surfin' was here to stay.

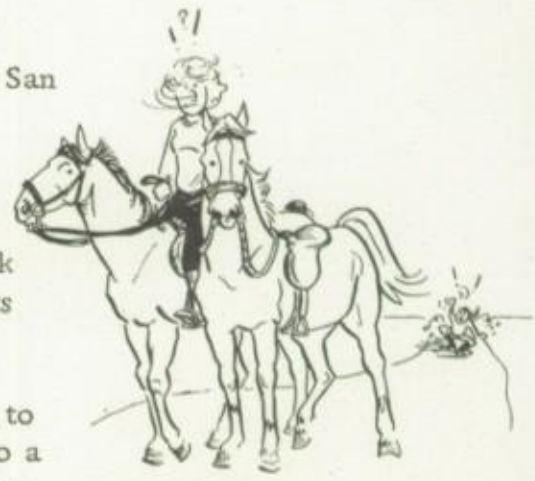


Skiing

Ski season at SRVUHS is easily detected by a sudden concentration of crutches, casts, burns, or other general maladies all over the campus. But all the suffering was not in vain in view of that exhilerating feeling as one swoops down a snow-covered slope, seemingly flying through a field of cloud. The "few" spills are expected and taken in stride by all devoted ski enthusiasts, and these frost fanatics are abundant at San Ramon.

Whether going in private groups or San Ramon Ski Club trips, SR students spent many a wintry weekend in such spots as Squaw Valley, Sugar Bowl or Sun Valley. And a good quarter of fun came in curling up before a warm lodge fire-a refreshing interim after a brisk day of the great ski sport.

Horseback Riding



The hills and meadows of San Ramon Valley are the stomping grounds for a great source of recreation for a rugged set of SR students, -the horseback riders. Owning a horse sets before you an unlimited world of activity--rising early on a bright morning to walk in solitary peace into a realm of undisturbed nature, exploring the trails of Mt. Diablo, getting together with other horsey friends to just plain cavort in open fields, soaring over a barrier insurmountable on two feet, and experiencing that inexplicable pride of open competition.

Water Sports

San Ramon Valley is quite famous for an occasional heat spell but the natives know just how to handle them. It is then that the boats come out of winter storage and run on up to the nearest bay or lake for nautical pastimes. There's sailing in the bay with an occasional capsizing; water skiing; skin diving, and for the more passive, even fishing. In a facet of maritime maneuverings you're sure to find a group of San Ramon kids right in there. Those who can't quite make the lakes often bring them right into the backyard by adding a swimming pool. The net result of all this water-workout is the anticipation of that symbol of summer-the suntan-bidding the woes of winter farewell.

in, the result was usually the same-great!

Of the various ways students chose to express themselves in 1965, perhaps none was more emphatic or more expensive than their cars. The total value of the hundreds of cars which daily puttered around the "Beloved Establishment" must have at least come close to the value of the Establishment itself. Variety was there, too. We had all manner of sizes and shapes, all degrees of stockdom and modification, all shades of color, whether blinding or not, two-wheelers and four-wheelers, and, most important, all manners of driver, from the campus rubber-layer to the local little-old-ladies-in-tennies. All, however, contributed to a colorful and unforgettable scene in the routine of the students.

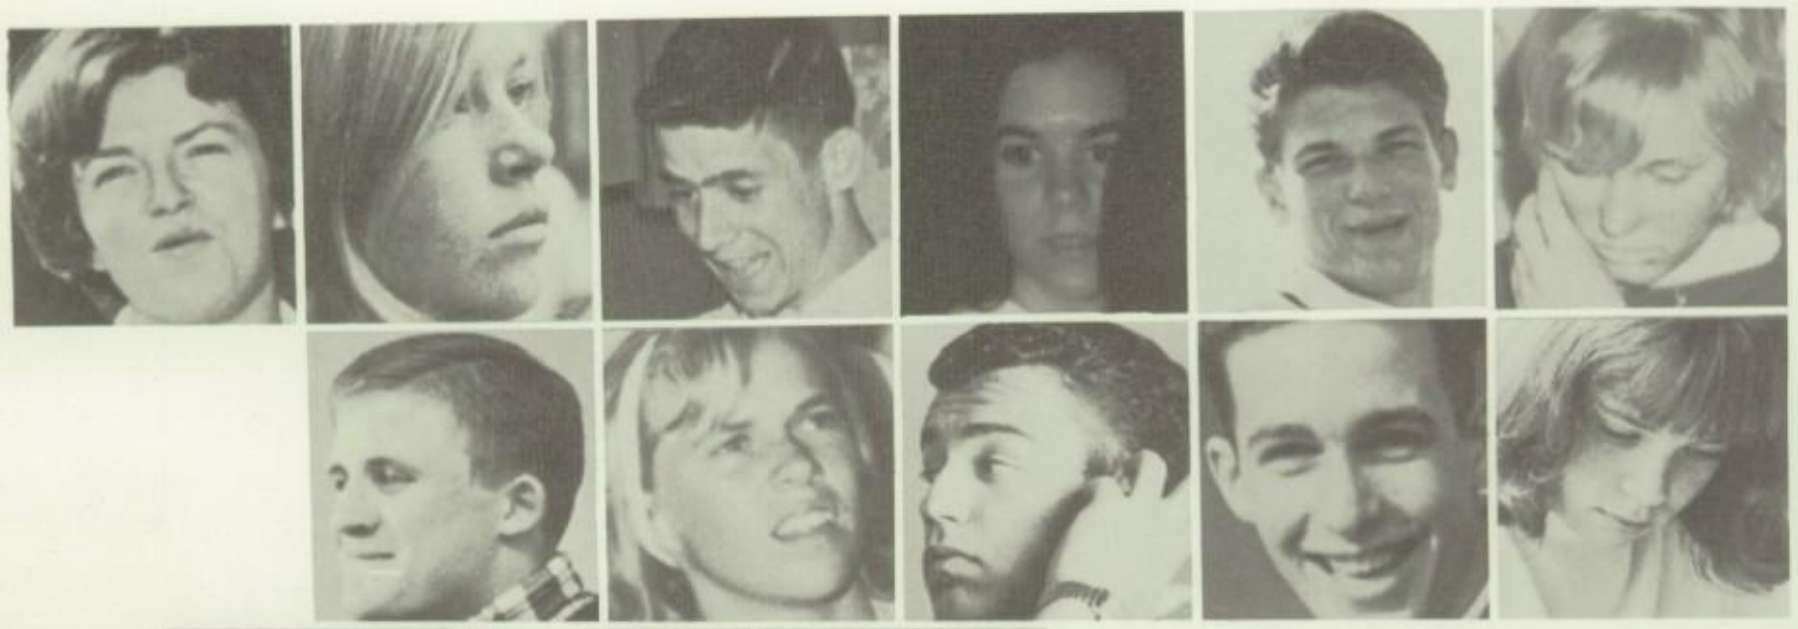
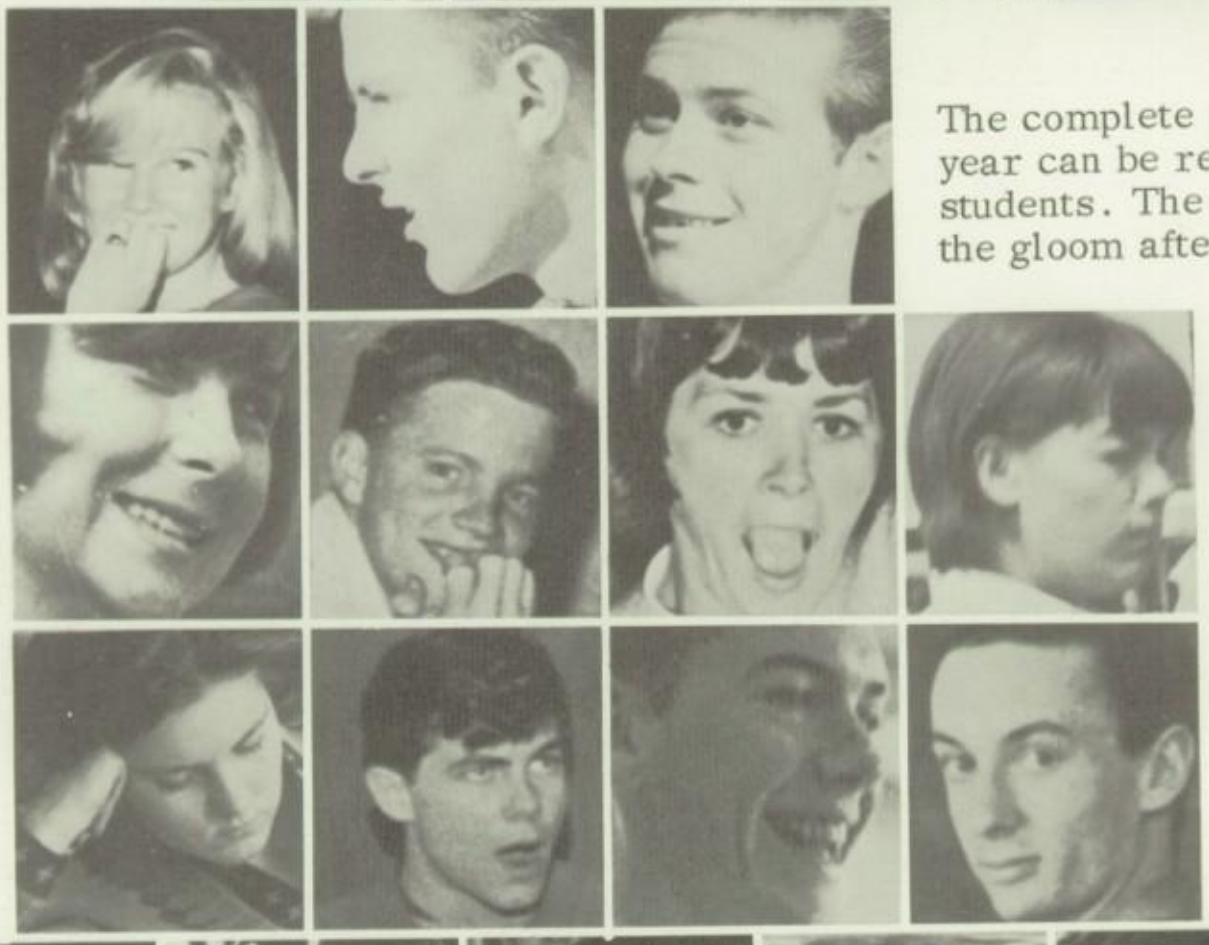
Concentration, sadness, boredom, bliss,



The complete story of a high school year can be read from the faces of the students. The enthusiasm of a rally, the gloom after losing a hard-fought game, the concentration of studying, the relief of completing a final exam, the pride of taking home a good report card, the boredom of a rainy vacation, the joy of summer vacation!



joy, pain–a year filled with emotion

What with all the extracurricular goodies San Ramon had to offer--sports to go out for or root-on for, clubs, dances, and so on-we tended to forget that the real, deep-down duty of old SRVHS was to instill in us the various technicalities and skills needed to push us out into the world. For most of us, school was the ideal meeting place in which we could swap gossip, wear new clothes, meet members of the opposite sex, and all other social graces. But, occasionally, it dawned on us all to bluntly, that we were here to learn. These sudden realizations came at such times when the Civics final was upon us and we regretted having slept through those movies or when 3 a.m. rolled around on the morn of a term paper due-date. When the telling time came and teachers marked the innocent letters with the power to shape our future how clear the purpose became. But San Ramon students are a stalwart set. Sure we plowed through report card periods with an occasional scar or taken-away-car, but on the whole, didn't the struggle make summer just a little more worth it!

The students pictured in the Student Life section of the yearbook were chosen on a random basis, and not because of any special recognition they may have received in their respective categories. They merely represent the different fads, styles, and pastimes which were prevalent among San Ramon High School students this past year.

We have tried to be as fair as possible. Students from all grades are pictured, although there is somewhat of a preference for SENIORS.

Beginning French

The closest thing to Paris is San Ramon's Beginning French Club. This club offers language students a chance to see foreign movies, eat continental food, and learn to understand the French people better. This year a dozen members were active under the advisory of Mrs. Quibell.

German Club

Promoting the language, giving vital background, and teaching more about the peoples of Germany is the job of the German Club. This was accomplished by means of plays, slides, and parties. Mrs. Humphreys, German teacher, served as club advisor.

Advanced Biology

The Advanced Biology Club is composed of a group of students who have completed the sophomore biology course and want to pursue their study further. A trip to Half Moon Bay and one to the fish hatchery in Sacramento are among their accomplishments. Pursuing nature, they also visited Sutton Beach and Muir Woods with Mr. Davis, club advisor.

Beginning Biology

Are you interested in the study of biology; in learning about man and his environment? If so, Biology Club is the place for you. To enable members to take an active interest, field trips were taken to Golden Gate Park and to Muir Woods, a hospital in Castro Valley, a game reserve, and completed the year's activities with an excursion to Half Moon Bay.

Creative Writing

The Creative Writing Club, advised by Mrs. Rousseau, published a collection of their works called, THE MIND'S EYE. Future Homemakers

Future Homemakers of America has an active chapter at San Ramon. For fun and profit the girls sold cupcakes, served spaghetti to the football team, visited displays in Oakland, and worked on special projects. Carlyn Hyde won the title of "San Ramon's Future Homemaker of the Year".

Joan Witte, president; Sue Bernstein, vice president; Sandy Elworthy, treasurer; Toni Heuer, secretary.

Future Teachers

Once in awhile every student dreams of reversing the order to things by doing the teaching instead of the studying. The future teachers did just this by serving the community as volunteer teacher's aids. They also attended a conference at Cal (Berkeley), guided parents at "Back to School Night", and invited lecturers to speak at their meetings.

Terry Marshment, secretary; Nancy Thomas, president; Marilyn Potter, vice president.

Business Club

Mrs. Mitchell advised the girls of the Business Club toward preparation for their future careers. At noon meetings members frequently viewed film strips concerning choice of business careers. Visits of former SR business major grads and field trips to business offices also provided valuable tips.

Highlight of the year was the awarding of the annual Bank of America engraved trophy for vocational arts to Sharyn Kay, and the business certificate award to Cindy Kucera.

Speech Assocation

One of San Ramon High School's largest, most challenging and most popular organizations was the Speech Club. Its members ranged from freshmen to seniors, and its work involved any of the following events: oratory, oratorical interpretation, humorous, drama, impromptu, extemporaneous, and debate.

Debate was perhaps the most challenging event in which many speakers competed. The debate topic this year was resolved, "That Nuclear Weapons Should be Controlled by an International Organization."

The Speech Club was a charter member of the National Forensic League. In order to belong to the league a student must earn 25 points in tournament competition. Scott Lubbock and Joe Thurman each earned more than 400 points in the past four years.

Radio Club

Some of the most dedicated and active club members are the "hams" in Mr. Oliver's Radio Club. In a drive to license more students as amateur operators, they signed up ten new members. During a field day, they manufactured many of their own tubes and such, and also learned more about modern communications. Besides all of this, the boys built their own television camera, with which they could broadcast sports events and Student Council meetings.

Checkmate! This is the word towards which all members of Chess Club under the advisorship of Mr. Kirkland worked this year. Girls' League

Girls' League, the organization to which every San Ramon girl belongs, began its many activities with a tea to welcome all new girls. In the fall, it was in charge of the annual Green and Gold Week. It sponsored the queen contest, decorated the school on Green and Gold Day, and was responsible for the Coronation Rally. In the Spring it sponsored a fashion show and mother-daughter tea, at which time Girls' League pins were given to deserving girls. A highlight of the year occurred in the Spring with the annual Girls' League Dance. Mrs. Newsom was the advisor.

A hard-working club was Pep Club this year, as it strived for a general promotion of spirit during football and basketball seasons. Beginning the year with the sale of membership card, the club advised by Mrs. Yettick, added to their activities with the sale of Wolves buttons. It was also responsible for much of the game preparations such as decorating goal posts and making the flaming S.R. for the homecoming game. Game banners were also supplied by Pep Club.

EL LOBO co-editors -- Lynda Shaw and Gail Harrison

EL LOBO editors publish a yearbook filled with accomplishments and memories. But what does it take to publish a yearbook? Perhaps the first need is money. Editors find out how many pages with how many pictures and with what degree of quality can be budgeted within an initial framework.

The next need is creative ideas. A theme is decided upon, the book is divided into sections, the cover is designed, page layouts are made, pictures are taken, and copy is written.

A constant onrush of pending deadlines nearly unnerve the editors, but student drive seems always to come through. The EL LOBO '65 now stands to attest the efforts of its staff.

Roberta Bloss, Editor-In-Chief, Heads Production Of '64-'65 Wolf Print

Roberta Bloss is the editor-in-chief. To her belongs the task of assigning stories for the bi-weekly newspaper the WOLF PRINT. She must also keep harmony with her fellow staff members, write dynamic and thought-provoking editorials on current student issues, and write headlines. Roberta also writes copy when the need arises.

The editor has the unique job of designing the dummy sheets for the paper. In addition, Roberta shares the tasks of copy-reading stories and proofreading copy with her staff.

As editor of the paper, Roberta serves on the Student Council as the publications representative.

To share journalistic ideas and to learn from prominent lecturers, she attends news conferences throughout the Bay Area. At the conferences, Roberta also competes in newswriting contests against other high school editors.

Mr. Rutherford

Journalist Mr. Rutherford Advises Wolf Print And EL LOBO '65

"Copyread and give me a two line 24 black headline" sounds like the offices of the NEW YORK TIMES but in truth it can represent the job of a typical high school journalism teacher confronted with the task of publishing a bi-weekly newspaper. Such a teacher is Mr. Rutherford.

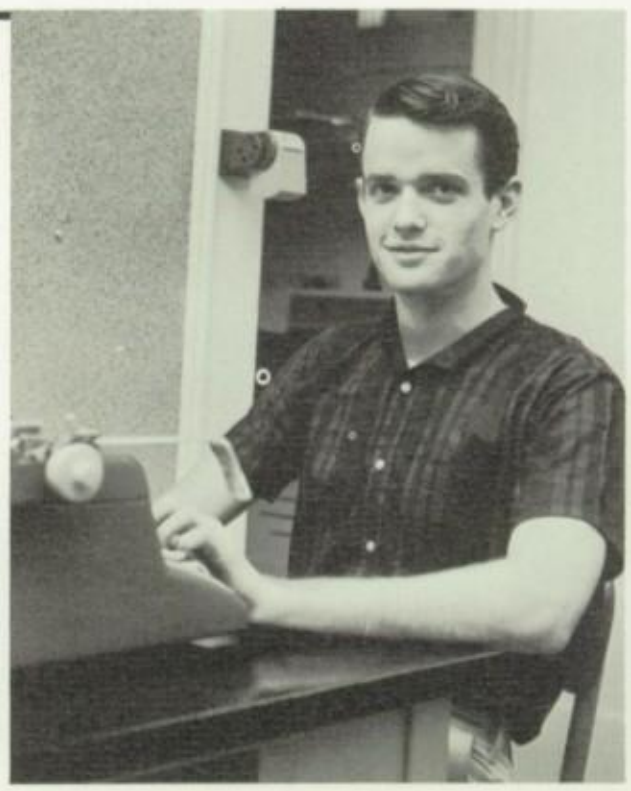
In addition to publishing the WOLF PRINT, he also advises the yearbook staff. He must supervise all materials being sent to the printers and approve the EL LOBO '65 layout style.

Mr. Rutherford's is a position which requires the nerves of a riveteer, the patience of a saint, and the background of a printer, reporter, and advertising agent.

Bill Cady Heads Sports Staff

Sports Editor, Bill Cady, lays out the dummy sheets for the sports pages, writes headlines, and is also the author of the infamous column, "Cady's Comments."

To this list must be added the assignments Bill gives to his ambitious staff of Lloyd Day, Roger Lett, Tom Jones, Terry Boyle, Pat Ozenne and Bob Stewart.



Bill Cady, Sports Chief

Mary Arnold
Feature Editor

Mary is the author of "Route '65," the column of, by, and for the senior class. Besides editing her column, Mary makes sure that other feature stories are available for publication.

Kathy Conner
Exchange Editor

Kathy Conner had the time-consuming task of sending out and receiving papers from other schools, thus creating a colorful exchange column comprised of the latest fads and fancies from other schools.

Tim McKinnon
Advertising Manager

Advertising Manager Tim McKinnon had the job of soliciting for advertising, laying out ads, and selling space for advertisement.

Through the combined effort of Tim and his staff this year has averaged more than before, bringing in almost one-third of the cost.

Following a week full of growing spirit, the festivities culminated in Friday's Coronation Rally, "Big Game," and Homecoming Dance. The San Ramon Wolves overruled past tradition and beat Piedmont 7-0. And, during the most colorful half-time show of the year, Queen Sharyn Kay and her Princesses, Sid Long and Cindy Kucera, paraded around the field in the traditional convertible. The flaming SR followed the Queen's presentation at the fourth annual Homecoming.

SPORTS

1964-65 was a banner year for San Ramon athletics, as the Wolves made their presence felt in varsity, junior varsity, and freshmen sports, by boasting winning records.

The 1964 campaign saw the Lobos boasting perhaps the finest season in San Ramon history. The Green and Gold gridders posted five victories, two losses and one tie.

The Wolves got off to a rather slow start, dropping one of their practice tilts and then tying the other. The offense came alive against Miramonte, and proceeded to devastate five FAL opponents until dropping the finale to Las Lomas 14-6.

Eight Wolves captured All-League laurels. They were: Ken Loveland, Jim Parker, Ric Ponczek, Lou Plummer, Pat Ozenne, Dan Buhler, Gerald Wolff, and Jim Nicolaisen. Honorable Mentions went to Jeff Early, Bill Davies, Blake Stadler, John Spooner and Bruce McNaughton.

Tragedy struck the Wolves early in the campaign when senior halfback Gary Ashworth was injured in an automobile accident. Prior to this calamity, Gary was a vital spark in the Lobo offense.

Two Lobo gridders left their mark outside the legue. They were Pat Ozenne, who was named to the fourth team, All Norther California eleven, and Dan Buhler, who was honored on the Scholastic All-American squad.

Bill Davies is lassoed from behind by a Cowboy defender in the 6-6 tied with Livermore.

6-7-Castro Valley

Rugged Castro Valley outfit upended the Green and Gold, 7-6, on the Hayward turf.

Jeff Early was very impressive at quarterback, hitting seven completions in ten tries including a 53-yard pass to Jim Parker and a 12-yard TD toss to Pat Ozenne.

Wingman Ozenne rips through the Matador defense enroute to a 39 to 0 Lobo triumph.

6-6 tie!

With 3:11 left in the contest, Les Frey plunged over from a half yard out to give San Ramon a 6-6 tie with Livermore.

Bill Davies was the offensive workhorse for the Lobos as he gained 113 yards in 25 carries for a 4.5 average.

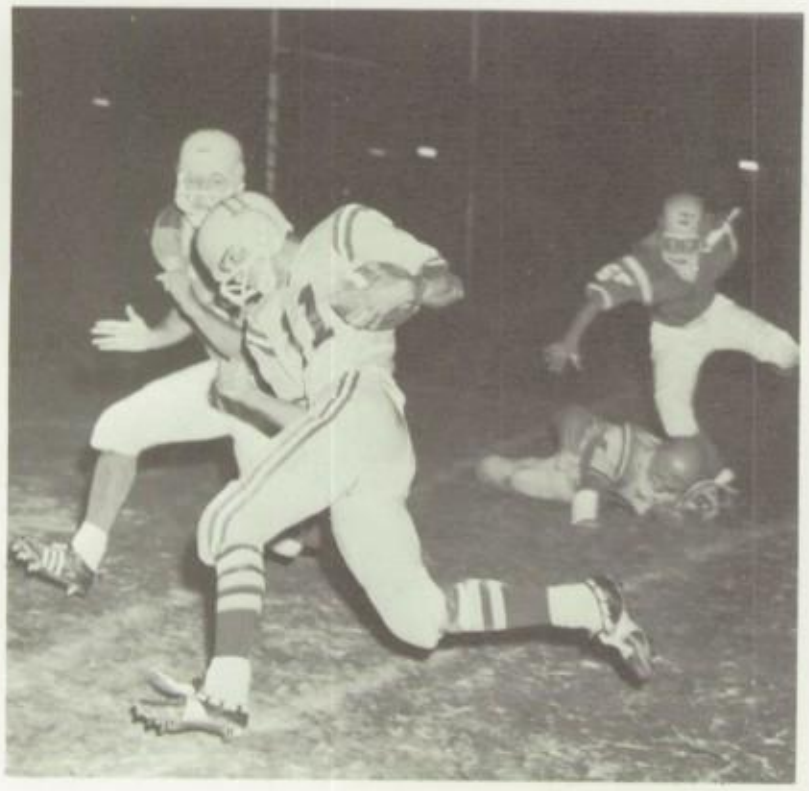
Out go the lights for this Spartan ball-carrier as Bruce McNaughton (80) and Dan Buhler (77) end his excursion.

39-0-Wolves!

San Ramon opened the FAL campaign with a crushing 39-0 triumph over the hapless Miramonte Matadors.

The game proved to be a "honeymoon" for the Lobo offense, as they pounded out 419 yards. Davies scored three TD's, followed by Pat Ozenne with two and Parker with one. Gary Ashworth pulled off the game's outstanding run on a 72-yard gallop through the shattered Mat defense.

But really picked up momentum when it counted



Jim Parker roars into paydirt with the Wolves first six pointer in the 27 to 7 conquest of Alhambra.

36-7-Wolves!

Following a dull first quarter, San Ramon's passing attack came alive and thumped Del Valle 36-7.

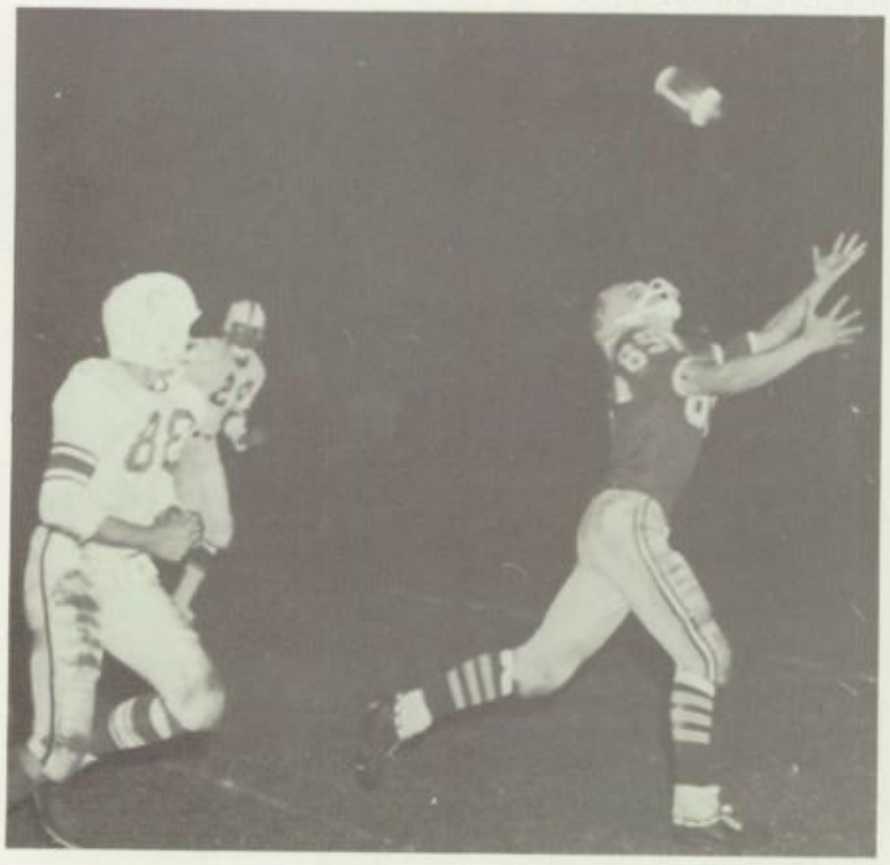
Les Frey started off the fireworks on a one yard plunge in the second period. Early teamed with Ozenne on TD plays of 62 and 70 yards which upped the SR count. Parker rounded out the evening's scoring with TD gallops of 11 and 8 yards.

Senior halfback Parker is finally brought down after gaining valuable yardage in the 47 to 6 rout of Acalanes.

27-7-Wolves!

SR traveled to Martinez and dealt the toothless Bulldogs a 27-7 drubbing.

The Lobos scored twice in the first half on runs by Bill Davies and Jim Parker. The second half was the same story as Davies put the frosting on the cake with a one yard plunge and Jeff Early coupled with Pat Ozenne on a six yard scoring pass.



Pat Ozenne finds himself on the receiving end of this Jeff Early aerial as two stunned Trojan defenders look on.

47-6-Wolves!

Win number four went on the books as San Ramon passed Acalanes 47-6.

Brad Pappalardo and Bob Enlow were the big guns in the Lobo arsenal as they ripped off 192 and 71 yards respectively. Brad scored on runs of 80, 66, and 22 yards. While Enlow added TD romps of 13 and 40 yards. Early and Parker added to the rout with 42 and 12 yard scoring passes to Ozenne.

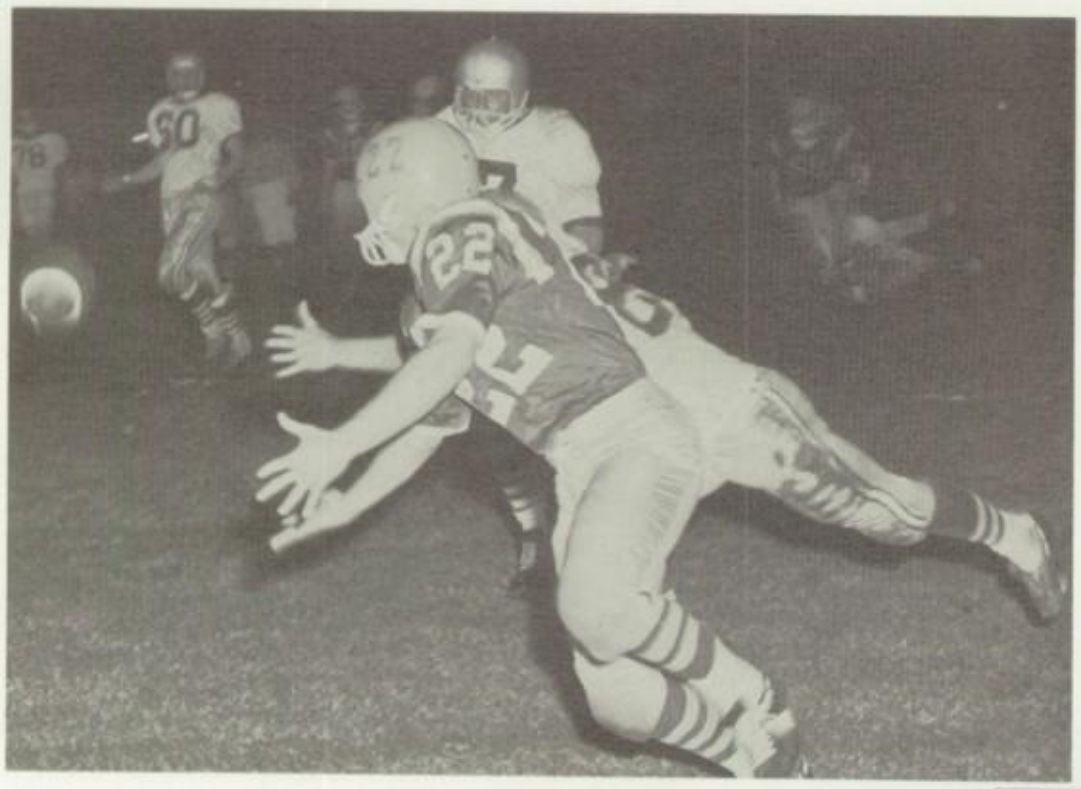
7-0-Wolves!

The Lobos took a giant step towards the FAL championship by outclassing the Piedmont Highlanders 7-0 in a rugged defensive battle.

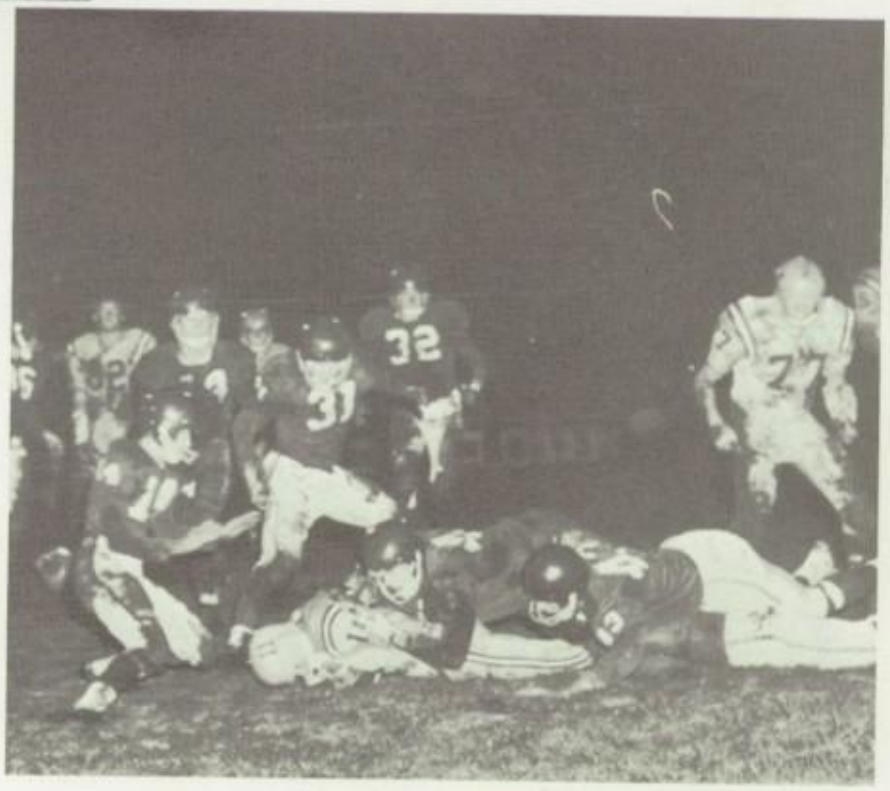
Jim Parker scored the only Green and Gold TD on a six yard run late in the fourth quarter. Master Parker finished the evening with 82 yards in 19 carries.

But were derailed by Las Lomas in title bid



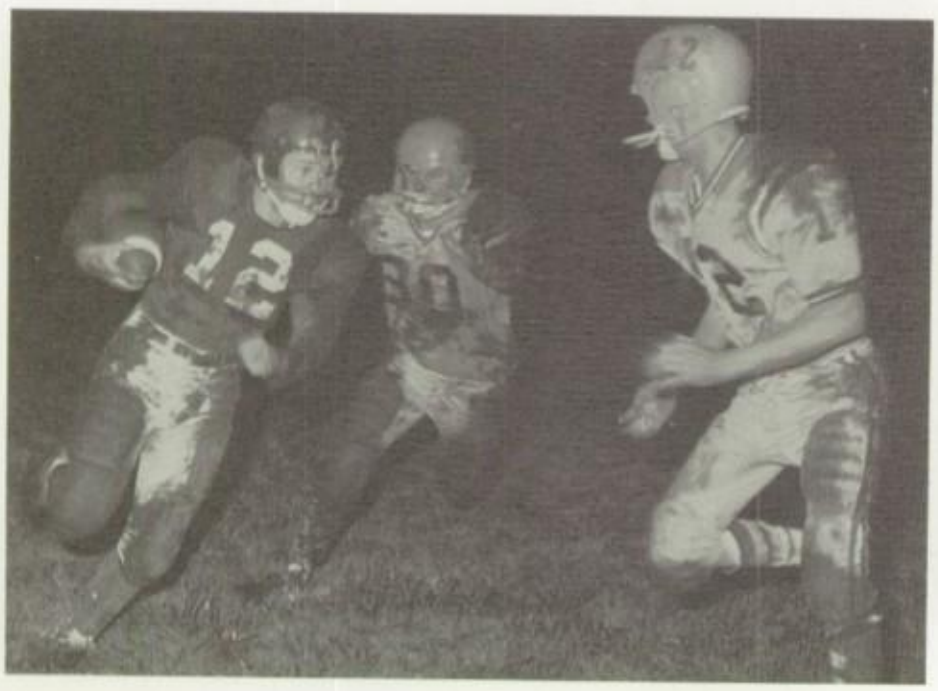
Halfback Brad Pappalardo reaches in vain for a Jeff Early pass. The action took place in the Piedmont tilt.

6-14-Las Lomas . . .



Scatback Jim Parker is piled up by a host of gang tackling Knights in the FAL championship contest.

End Bruce McNaughton (80) and Marc Jones (12) close in to stop All-League quarterback Pete Breulieux of the Knights.



Despite a herioc team effort, the Wolves dropped a 14-6 heartbreaker to the Las Lomas Knight. The defeat dashed SR's hopes for the League Title, and enabled the Walnut Creek outfit to regain the Crown.

Les Frey scored the only Lobo touchdown on a four yard plunge with only 20 seconds remaining on the clock in the first half.

Lobo varsity springs into action against Piedmont.

Coach Vincent's varsity spikers boasted a great season, winning six league contests and losing one. The Wolves tied with Del Valle for the FAL Championship by finishing second in the League Meet.

Outstanding varsity runners were Dave Rabb, Ralph Patton, Al Ghysels, and Cary Lane. At season's finish, Rabb was honored as most valuable varsity runner.

Cross Country featured something new this year with the addition of four female scorekeepers. The coeds partaking in this task were Sue Andrews, Kathy Galvin, Ann Lingenfelter and Linda Johnston.

The varsity runners compiled the following: O'Dowd 30, Antioch 41, SR 49; SR 20, Acalanes 43; SR 28, Del Valle 27; SR 23, Miramonte 38; SR 22, Campolindo 38; SR 21, Alhambra 37; SR 16, Piedmont 46; SR 17, Las Lomas 42; Pleasant Hill 25, SR 32, Clayton Valley 64.

Coach Vincent sparked his thinclads to the FAL title.

CC shaves loop title, Frosh-Soph break even

The Frosh-Soph broke dead even in seven contests by winning three, losing three, and tying one. Although they failed to win a championship, the junior thinclads developed a host of fine runners for future seasons.

Ralph Patten was the frosh-soph most valuable runner, (although he ran varsity during the regular season). Doug Margraff and Dick Vandewater were consistent winners for the Wolfcubs.

The frosh-soph won-lost slate included the following: SR 24, Antioch 34; SR 20, Acalanes 39; SR 21, Del Valle 38; SR 29, Miramonte 29; SR 28, Campolindo 31; SR 35, Alhambra 21; SR 29, Piedmont 28; SR 45, Las Lomas 18; Pleasant Hill 21, SR 36, Clayton Valley 77.

Under the guidance of Coaches Kennedy and Herrera, the Wolfcubs sported a 3-2-2 record during the 1964 grid campaign.

It looked like it was going to be a long season as the Junior Wolves opened with a 6-6 tie with Miramonte than bowing to Campolindo by 6-0 and Alhambra by 14-6. Against Del Valle the frosh jelled as a team and upended the Trobabes, 12-6. The Green and Gold followed through with win number two, as they pounded Piedmont into submission 45-0. The Lobos next nailed Las Lomas with a 1-0 default. The highlight of the season was the 0-0 finale with the undefeated Acalanes yearlings.

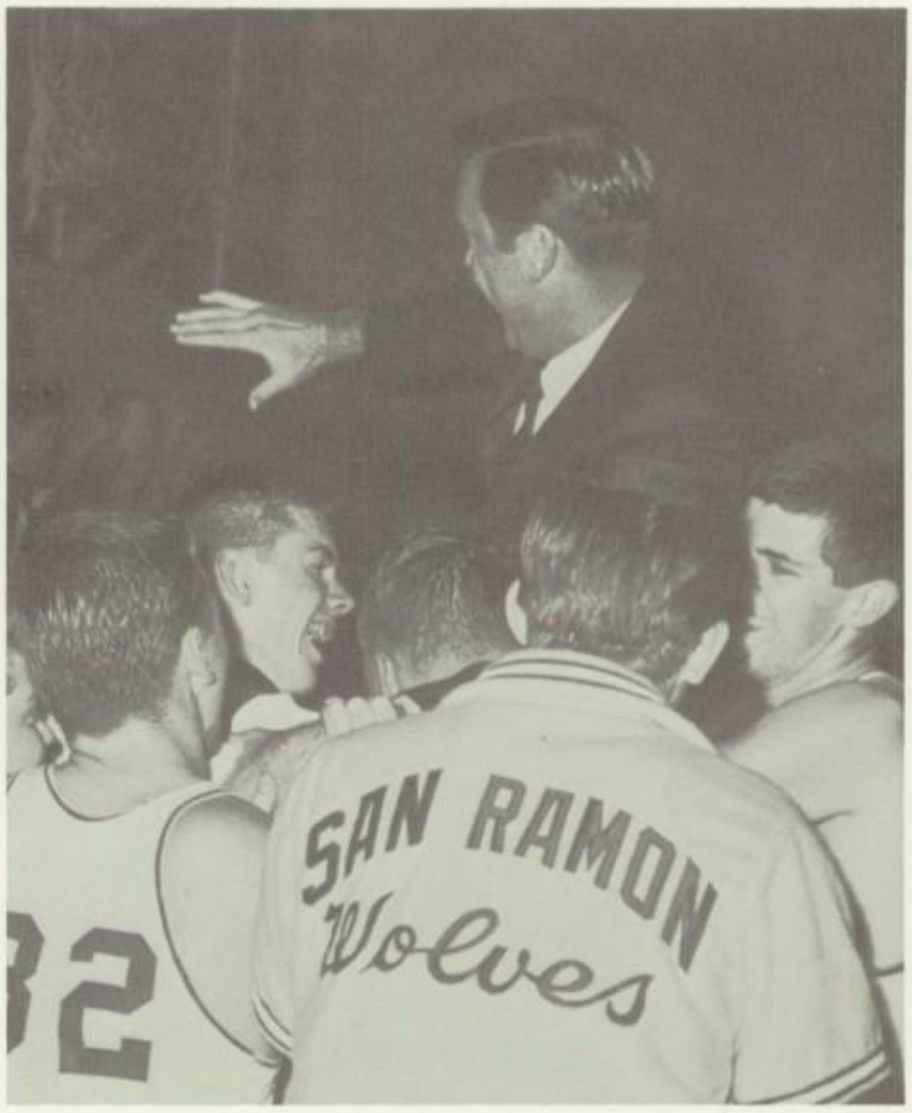
Halfback Rich Harford was selected as the Most Valuable Player by his teammates.

Harford is nailed from behind in the 6-6 clash with Miramonte.

Most Valuable Player, Rich Harford reels off a first down against Miramonte. Other Wolfcubs in action are Stu Hamilton (45) and Tom McCleary (57).

DeRushiamen boast best overall mark of 15-8

Larry Becker (LEFT) and Pat Ozenne accepted championship trophy from Block SR president Randy Pratt as Wolves won their own Invitational Basketball Tourney.



A common sight during the 1964-65 season was Coach DeRushia being carried from the floor following an SR triumph. This followed the Lobos Invitational title on the home floor.

San Ramon boasted one of its finest basketball seasons in history as the Green and Gold cagers finished in fourth place in the FAL with an 8 and 6 record and a 15 and 8 overall mark.

Coach DeRushia's Wolves participated in two tournaments during the 1964-65 campaign. The San Ramon Invitational found the Lobos walloping the highly touted St. Marys Panthers, 62-43, and then upending the tourney favored Pittsburg Bucaneers, 56-53, in the finals for the championship. Steve Cryer and Pat Ozenne were both selected to the All-Tourney five. Ozenne was also chosen "Prep of the Week" by the Oakland Tribune for his tournament performance.

Following the regular season, the DeRushiamen traveled to the Tracy Tournament where they nailed their first opponents, Amador and Davis by 74-49 and 58-56 scores, before losing the title tilt to a fired-up host Tracy club, 88-69. Larry was the San Ramon representative on the Tournament All-Stars.

With the climax of the rugged league season, Ozenne and Larry Becker were both selected to the All-FAL team. Highlight of the season was the Wolves overtime victory over Acalanes in the final game, 57-55, to knock the Dons out of a share of the loop title.

Coach Herrera's JV cagers posted an 11-3 league record during the 1964-65 campaign for a second place FAL finish. The record was the most impressive ever for a San Ramon JV club.

After getting off to a rather slow start in the practice contests, the Lobos gained momentum and set the league afire with their high powered offense.

Terry Hussey was the outstanding ballplayer as he led the club in scoring with 252 points. In the Alhambra tilt, Hussey set a JV scoring record with 33 points. Other outstanding Lobo performers were Russ Mollath, John Amarant, and Mike Fitzpatrick.

ADVERTISEMENTS

Memories are associated with a place. Most of the memories of high school days at San Ramon will be associated with the town of Danville. Many students enjoyed a coke at Stan's after a hard-won football or basketball game; school supplies were often purchased at the local 5 and 10; Xaviers was the place to go for gym clothes; on Saturdays the tennis courts were filled with students relaxing after the tension of Friday finals; the library was always crowded the night before a term paper was due; Bradleys, Cambridge East, and the Shoe Stable kept SR students finely clothed. These are but a few of the places in Danville that were a part of our high school life.

Acknowledgements

A yearbook is not made in a day. Many hours, many days, many months are spent in its make-up. But, most of all, a yearbook demands the efforts of people. EL LOBO '65 has been no exception. The people who contributed to this book's completion were numerous and yet each played a vital part. Now we are left with only a page on which to say thank you to all those who contributed so very much. We only hope that this thank you will means as much to them as their assistance has meant to us.

Thank you MERCHANTS of Danville and STUDENT BODY of San Ramon for your financial support...

Thank you FACULTY and ADMINISTRATION for bearing with us through picture schedules and interruptions...

Thank you BEEM STUDIOS for your time and effort...

Thank you VALLEY PIONEER and DANVILLE-ALAMO OBSERVER for last minute pictures...

Thank you photographers JERRY JOHNSTON and DENNIS NELSON for your dedication and excellence...

Thank you EL LOBO STAFF for your constant endeavor to make this the best yearbook ever...

Above all, special gratitude to MR. RUTHERFORD who was always there whenever we needed him most, who made innumerable sacrifices for the sake of the yearbook, and who willingly accomplished all of this without thought of personal praise.

Hi (thats all I'm going to write, I'm sorry you received a whole page just for Hi) Disregard that I'm sitting all alone in my room writing letters like what I promised to do for you for a month or so. I've had to think of all the wonderful things we've done together for the past five months and seven days. P.S. The reason I'm writing you is because I've been the best friend you've had in these five months, etc. I have ever had this really has been a ridiculing aside for me or the kidding you did for me or the things you've done for me (etch.) I love you. Besides that you're not. I also love you at other times too. Oooh! I found a spider. SQUISH. He's dead - here? -> watch him look at you. Jula thank you's and various other stuff because my father came in and took me for fun because you are a Rank person. Beside

Linda,

I plan to use this whole page. I can't believe that you are moving. I think that you are so cool. I'm not going to have any one to go crazy with. What am I going to do? I'll never forget all the times you took Kathie and I to football game and to dances and other places. I'm really feeling sad and weighing. I hope you'll come back to visit Carol, Lisa, Nancy, + me.

I'll probably be over at your house a lot this summer so I can see you a bunch.

Karen really thinks you're cool & she thought that party was an "interesting" experience, you know Karen, she never gets flustered.

There is no one who even begins to match up to you in insanity so I guess I'll have to act insane in my room.

Don't ever forget me or all the wild times we've had.

Be good. Write <u>It</u> you move.

Love -
Alison (the ugly)
